About Us

At Afaal Real Estate, we bring a legacy of experience spanning more than **30 years**. We began our journey in real estate with an ambitious vision built on the Kingdom's strengths and resources, to be a trusted partner in achieving the goals of **Saudi Vision 2030** and beyond.

We strive to keep pace with the major transformation of the real estate sector by investing in talent, adopting best practices, and delivering innovative solutions that meet our clients' aspirations and contribute to the prosperity of the national economy.

A Word from the Afaal Team

"With pride, we at Afaal Real Estate place **our clients' satisfaction** at the top of our priorities, and we believe every real estate deal is **the beginning of a long-term relationship** built on trust."

Our Mission

We are committed to providing distinctive, modern services and **real estate investment opportunities** that deliver rewarding returns for our clients, managed with a high level of professionalism, with the aim of contributing to **a thriving real estate future**.

Our Vision

We look toward a thriving and sustainable real estate future

"To be a symbol of trust and leadership in delivering **integrated real estate solutions** that keep pace with **Saudi Vision 2030** and create lasting value for our clients, our partners and the community."

Our Values

- **Responsibility**

We believe reliability starts with commitment.

- **Integrity**

We conduct our business with transparency and professionalism, without the need for oversight.

- **Quality**

We are keen to deliver the highest standards of performance and professionalism.

- **Partnership**

We build lasting relationships with our clients based on trust and mutual benefit.

Our Services

Real Estate Marketing

Smart plans and modern methods for selling and leasing properties.

Real Estate Brokerage

We connect owners and tenants, with documented contracts.

Property Management

Managing properties with care for the owner and achieving operational performance.

Facility Management

Improving facility efficiency and reducing costs and breakdowns.

Operation and Maintenance

Managing operating expenses efficiently to protect returns.

Real Estate Auctions

Organizing campaigns to sell properties at the highest value.

Judicial Custodianship

Legally protecting assets until proceedings are concluded.

Liquidations

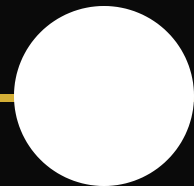

Assisting in selling assets, settling financial rights and obligations and concluding legal relationships for real estate contributions, companies or endowments, in accordance with applicable regulations and the provisions of Islamic Sharia.
